

## How to order a YDNA test

If you have any questions please ask

**pjtskar@online.no**

Please send me your ancestor line (*name birth death marriage and wife's name*)

In very few cases I may suggest another test based on that information

Go to

<https://www.familytreedna.com/groups/nesbitt-nisbet/activity-feed>

(there may be a discount coupon code that you can use on activity feed)

They also later add ca \$10 for shipping

Click Join

(right side of screen)

then under

Don't Have a Test?

click on the following link:

**Purchase a Test to Join This Project**

### Don't Have a Test?

If you have not tested and would like to purchase a testing kit to join our project please click on the following link:

**Purchase a Test to Join This Project**

Click on the test you want to order

#### Join The "Nesbitt" Group Project

A screenshot of a website page titled 'Join The "Nesbitt" Group Project'. It features a 'GROUP INFORMATION' section with details like 'Member Count: 151', 'Project Website: https://www.familytreedna.com/groups/nesbitt-nisbet', and 'Email: Contact Group Administrator'. Below this is a 'Description' and a list of 'MALE LINE TESTING - FOR GENEALOGY AND ANTHROPOLOGY' options. The list includes Y-DNA111 (\$339.00), Y-DNA12 (\$59.00), Y-DNA25 (\$109.00), and Y-DNA37 (\$149.00), each with a 'More info...' link and an 'Order Now' button.

YDNA 37 is what we usually recommend

Y-DNA37  
[More info...](#)

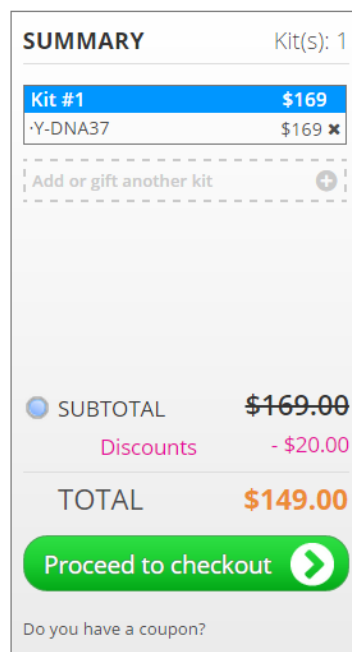

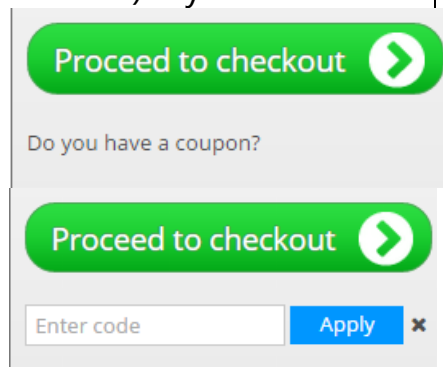

\$149.00 **Order Now** +

Click order now or + after it

You get a \$20 discount because you order by the Nesbitt project  
This is already discounted for the 37 marker

Click on Do you have a coupon (small writing at bottom) if you have one

write "the code for the coupon) and click apply and the discount will show and be applied

Click proceed to check out fill in and you can pay with credit card
